“ *Sorry to see that "Buddy" has passed. Andy is my mom's cousin. Andy's mother Erna (Fiedler) Wiesner was my G Aunt. I enjoyed talking and corresponding with Andy about family/genealogy over many years.*

My condolences to all his family and loved ones, especially Penny. Godspeed to you, Buddy! From the Allentown clan with love.

“ *I first met Andy when we hired on together at Buchheit for the Jackson store. He was a blast to work with. Never a dull moment with Andy. We became fast friends. We also shared a love for horses and went on numerous trail rides. I sure will miss him. He was a great friend. Gail L.*

Rest Easy I met him as a vice officer who tried like hell to save me from going down a road less traveled! I was 13 years old when he first encountered my troubled story! What I can say is he used every resource within his ability to try to save me from myself at that time I will always remember his mentoring and fatherly role he played from time to time!
