Bro. Cecil, we are praying for you and your family. I know how hard it is to let Mom go. Thank the Lord it isn't final - you'll see her again.

Aslee (Toots) was a very special lady to me. She lived a life before all of us that set a great example of the special relationship one can have with Jesus Christ. She helped me so many ways with my genealogy information. I could always count on Aslee to tell me the truth and not hold anything back. I loved her and will miss her very much. God in His wisdom brought her home to be with Him. My condolences to all the family.

Naomi, so sorry to hear about your moms passing. I know she was ready to go a long time ago to be with your dad and I will never forget the great way they both treated me with love and respect. I miss Norma Lee we were like sisters and I will always hold all of them in my heart as long as I live. May she rest in God's arms and no more hurting and being sick. I had so many good laughs with her and your dad and of course Norma Lee she was the best. May God bless you and your family. Love to all. -shirley-
