“ My prayers to all of Bervil's family. Bervil & his dad were favorites of Rhyno Performance for so many years. Both their talent levels were as great as any we had ever seen. Heaven just gained another 1000 Hp!!

“ God Speed, Bervil. Enjoyed talking about bikes and racing with you at TSA in Cape. You always impressed me as a man with unlimited energy who knew how to squeeze every bit of horsepower out of life, just like with your gixxer.
