My uncle Billy was more than an uncle... he was a role model. When I was very young, I would look forward to "family visits" in Marble Hill because I knew I would get to play with my cousins. I also knew that Billy would be the first adult to join in to get a kids vs. adults wiffle ball, basketball, or football game going. He always had a joke, always uplifted our spirits, and always had hug. I miss you Billy, but I look forward to seeing you in heaven because we're gonna have a heckuva wiffle ball game!!! Love and comfort to his grieving family from Stacy, Stacy, Taylor and Harper. God bless you all.

Our hearts have all been broken, but I feel we are all better people for having known Brother Bill and having him in our lives. I am so proud to be a part of this family and it has always been an honor to call Billy my brother. Rob and I love you Samme, Shay and Kyle. Billy will always live in our hearts and will never be forgotten.

A beautiful soul is gone from us but to a much better place. Rest in peace nephew.

Cindy, Robert, Sandy I'm truly sorry for your loss. I only have great memories of growing up with you all. We laughed and faught but we were always there for each other! My heart truly broke when I heard of his passing! If should need anything please let me know!

Your Friend,

Dennis

May you rest in peace in your new eternal life Billy. You were a true "friend's friend" and a good man; a light-hearted, good-humored soul. Our deepest sympathy to Samme, Galen, Shayla & Kyle and PaPa Bill. Your family &

friends loved you deeply and you will be missed forever. God plucks only the most beautiful flowers for his heavenly bouquet while they are young and vibrant. Rest high on that mountain; peace be with you and your whole family. God blessed a lot of people with a man like Billy. He was a good person - many more have missed him than you'll ever know - just knowing he's not here- but he is in a better place that we will all get to someday. He's left his mark on this earth with his three beautiful children, Galen, Shayla, and Kyle. Our thoughts and prayers are with the whole Yeargain family especially Sammy and the children. Love to you always, Cheryl and Mike Rockel and family

Billy was always a happy type guy and fun to be around, He always had a smile for everyone so sad he had to leave so soon. may god bless his family Sammie, Shayla, Kyle and Galen Yeargain he loved you all and was so proud of all of you. You all will have to take care of each other and be there. May he rest in peace. Bless his brother and sisters and father Bill

Billy, my heart was completely broken when we received the news of your passing. I fell to my knees in disbelief. You were too young to leave this earth, and had so much more to contribute to the world and those around you who love you so dearly. My heart truly aches for Sammie and the kids, and your older son, my nephew, Galen. There was still so much for you to teach each of them. I remember our childhood with precious memories of having you in my life as my big brother even though we were only 11 months apart. I loved the jokes you always had ready for me. All the tricks you played on me because I am such a gullible person. You always were good at that. A big part of my heart goes with you, and I will see you again someday in that most holy place you and mother and Gearney are at. Until then I will always keep you in my heart and your wife and children in my prayers. There will never be another Billy in my life, and I thank God that he gave me the privilege of being your sister. May God enjoy your smile, laugh, tender heart, and I know he has the best man for the job, whatever he has in store for you. Things will

never be the same without you around, but you instored such good morals in all your children, I know that they will all be the better because of you and Samme.. I love you Billy and I miss you so terribly. Give mom and Gearney a big kiss and hug for me. All my love, all my life, til we meet again.

Even tho you are gone I can still hear you laugh. I will miss you so much, the family get togethers were so special to me. The laughter you filled the room with, always smiling, joking, and you and Robert kiding around. They dont make men like you Billy you were so special in many ways. But I know God has a plan, and we should rejoice when he takes our loves, for one day we will see you again in that heavenly home where there are no pain and sorrow. I will cherish every memory from all our children hood days until we meet again. Love Aunt mandy

My thoughts and prayers are with you: Samme & Family

As always a Friend,  
Always in our thoughts  
Always in our hearts

Mike
