We love you. Martin and Sue Scheffer I'm so sorry for your loss...my biggest regret is not coming to visit sooner nor letting him get to see my daughter Samantha who would have loved to have got to meet him & know who he was...

Wayne, When I got that sad call early this morning, couldn't help but think of our childhood memories. When you started k school. You got so sick everyday. The school would bring you home. And WE could have a good time

playing. You go to chook get sick, they bring you home. Mom finally caught on to what was happening. She told them I think if you let his sister go with him, he will be alright. they told Mom to send me with you. And your illness was over. We played at school. As we grew older 5th grade the kids thought we were twins. But, Norene came into our lives in 1st, 2nd grade. Norene was MY best friend (I thought) really it was you she was going for. That was the beginning of a wonderful life for you. then you both went your seperate ways, but still kept in contact. Our family Hers. Several years later at my wedding shower it startes all over. Norene come and you took her home. Six months later you and she were married. What a wonderful life you have had. You will always be in my heart. Love you Sis.

Mark and I are so sorry to hear about your Dad passing away. Our thoughts are with you and Butch and the rest of your family. He is in a far greater place but it doesn't stop any of you from missing him and wanting him back with you. I hope he runs across my Mom and Dad in Heaven - they were two great people that he would have enjoyed knowing while he was here on earth. All our love - Mark & Mona

Sheila and family, one of my "life-long" friends, my prayers go out to you all. Mr. Sutt is with our Heavenly Father now, in peace forever. As much as our hearts ache for you, we know you are in the BEST place our soul could ever be! Cindy and family

Wayne, when I was younger I remember our trip to Nashville Tennessee . It was one (& we had many)of the best times I had with you & Norene . I will never forget all the great times we had . There are just to many to mention but you & I know what they are You will be forever in our hearts & forever on our minds I Love you Wayne

May your memories bring you comfort & your faith bring you peace. with

Sheila and family I am so sorry of the passing of your father. I loved him and your mother they are such wonderful people and raised some pretty special children also. The song to this is perfect for your dad. Please let me and Carrie know if there is anything we can do for you. Love you guys.

Dad has taken his final journey, And for him we will yearn He'd been sick several years, And we've shed many tears, But we know he's like a new man, And is resting in God's hands, Dad had more than his share of hurting, If we could bring him back- we wouldn't, We hope one day to sit at his side, Forever to be in heaven on high!

Wayne, I remember when I was little how you would get out your guitar and sing and play. going to church over in Est. Louis I was supposed to sing with you. I fell asleep but I woke up heard you singing without me. you called me up there and we sang our hearts out I'll never forget the good times. one of the funniest things I remember was when I cut my hair and mom found it she said Mary Ruth who's is this?? about that time you and dad walked thru the door I said it's Waynes! your light hair and mine was dark. you just laughed at me. I love you brother I know you're in a better place and one day we will see each other again. your lil sister

Dear Grandpa, I didn't get to tell you goodbye before you went to heaven up high. To be with the Lord and the angels. We didn't get to tell you that we loved you and we would meet up with you again someday. You taught us alot, and for that we are grateful. I've shed the tears and felt the pain, but we know that you are looking down on us. Watching over us. We will miss you and you will always be in our hearts. We love you so much, Joe and Stacy

MY WIFE AND I WOULD LIKE TO EXTEND OUR DEEPEST SYMPATHIES TO THE FAMILY OF PAUL SUTT, I KNOW HE WILL BE PLAYING A TUNE OR TWO WITH THE ALMIGHTY FATHER, I ONLY WISHED THE SITUATIONS WERE BETTER I WOULD HAVE LIKED TO HAD THAT OPPORTUNITY AND PRIVLEDGE TO PLUCK A FEW OF THEM GUITAR STRINGS WITH ONE OF BEST BUDDIES. I WILL TRUELY KEEP HIM IN MY MEMORIES AND PRAY WE CAN ALL MEET ON THE OTHER SIDE AND PLAY IN THE HEAVENLY BAND

So sad to hear that Bro. Sutt has left us for awhile - but so happy to know of his Home-going! Known of very few families that have such joy, laughter & humor as yours and feel so blessed & honored that I was able to to have known you! (Also thankful they didn't use the photo of Bro. Sutt in the hospital with his "special glasses"!) Know you are all on our hearts & in our prayers during the days ahead! Praying that God would give you comfort, rest, and assurance that a glad reunion day will come!

So sorry for the loss of your father, Marty has told me so many wonderful things about him and your family. in time you all will be with him again, singing and dancing the musics of Heaven.. love ya..Teonna

I will never forget all the times that Grandpa would shake his fist at me and

ask "You want one of these?" I love you Grandpa, and I wish I would have told you that more. Carrie
