“ I worked with Bruce at the ISU VDL. He always had a smile and loved to laugh. One of my most recent memories of him was at a funeral for a veteran. Seeing him pay homage to a departed veteran, and how much he cared about that duty, still brings tears to my eyes. A true patriot. My thoughts and prayers go out to his family, as I know his death will leave a giant hole in their lives.

“ Bruce was my boss when he hired me in 2016 for ISU VDL. Not to long after he retired. He was truly a Great boss and even more an Exceptional human being. I am ever so great full to him for his generosity and guidance. Quite the jokester and strong in his beliefs. Life will surely not be as fulfilling without him but Iâ€™m definitely blessed to of known him. Thoughts, prayers, and my heart goes out to his family.

“ Bruce and I worked together at the ISU VDL. We are all deeply saddened by his passing. Not only was Bruce one heck of a guy, he kept us fed and brightened our days with his laughter and smile. A softer hearted person I'm not sure I will ever know. Keeping you, Wanda, and Bruce's children and grandchildren in our thoughts. Praying for peace for each of you in the days ahead.

I will miss you my friend.
