“ Carl Edward Myers of St. Louis District Corps of Engineers was an associate of mine in the late 1960's and most of the 1970's in the Survey Branch, Mapping Section. As of this date, while searching the internet I discovered his passing in June 2009 in Marble Hill, MO. Carl was a most wonderful person, a great personality to be associated with. Please accept my late condolences to all of the members of the Myers Family. Gerald Jefferson, Henderson, KY
