Dearest Melissa, please allow me to wrap my arm around you and send our warmest and genuine condolences, there is No understatement when it comes to your mom placing her family above all else and passed it down to you. I was fortunate to have gotten to be around her enough to know and be taken aback of her midwestern values and incomparable passion for her children and grandchildren. I am sure none of this has truly sunken into place, or will ever. but she gave you one of the best gifts any mother could hope to offer, and it beamed through each and every encounter, her Uncompromising Unconditional love..... I loved our dances Miss Gi-Gi, May you live in everlasting love and eternal peace. Byron and Aaron.
