Sweet sweet Buddy! O how I remember when I was a little girl seeing you at Chandler Drug and how you were always so happy-go-lucky. And when I was older and working close by at the Pioneer, you'd make my day with your special way of shyly flirting - so cute! You were one of God's special people on this earth and so special to many...now you can brighten the eternal heavens just like you did for us in Bollinger County. I can still hear your laughter and excitement and see your innocent beautiful eyes. Blow a kiss to John & Steve for me. Love ya Buddy! My deepest sympathy to cousin Patsy and her 2 lovely daughters, whom I'm sure was Buddy's world. He is not gone, just away...

God Bless you, Buddy, I know your in Heaven now with your family and your heavenly Father, You will be truely missed, you were loved by so many.....

On a cloudy day he could find something to be excited about! Still to this day I never see a bus that I don't think about Buddy and how excited he would be

that it was in. Rest in peace Buddy! You're now at home again with those who loved you so.

Goodbye, my friend. I hope to see you there. You must be riding that Greyhound by now!

He will be sadly missed by everyone.

OPatsy and girls so sorry to hear about Buddy, I took my sister to see him not long ago at the nursing center and seemed happy to see us. Donna Kay and Budd used to be neighbors and he never forgot her. He always asks me about her, May he rest in Peace now with the rest of his family and little Austin Lynn Candler.
