“*Roseann, Ricky and Family,
My many thoughts and prayers are with you all at this time. Danny was such a wonderful God fearing; and loving person. He never met a stranger and always made them feel like a very special friend. May God's loving arms surround you and give you peace. I know he is in Heaven rejoicing with family and friends and no longer in any pain. I know you have many years of loving memories. I am saddened that I can not be there to celebrate his life with you. Please know I am there in spirit.
Love In Christ,
Karen Webb McClendon*
