“ Words cannot express the loss I feel in the passing of Don. We were life long friends from the time we started school in the one room school house in Glen Allen. As years went on we graduated together. We started our lives in different places, but always kept in touch. He stood with me when I married and years to come. Many fond memories of Don a Jan with my wife and I on our adventures together. I will surely miss our phone conversations we frequently had God bless both Jan an family 🙏🌸

ME

“ Don and Janice were special people in my time in Marble Hill. Janice was my secretary and friend. Don was hard working and honest as the day is long. I sill have my 79 Camaro that he made good as new. My Janice his daughter, grandchildren, son in law, and all who knew Don remember what a great person he was and that the memory of his kindness be forever a blessing.

O Lord, we call upon You in our time of sorrow, that You give us the strength and will to bear our heavy burdens, until we can again feel the warmth and love of Your divine compassion. Be mindful of us and have mercy on us while we struggle to comprehend life's hardships.
