“ *Ena Mayberry friends and family plus loved ones.  
I am so sorry for your loss. We are never ready to let a loved one go. I know I am really struggling with it. She was A big part of my life since like 2nd grade. We had all boys in our class, but she and I really made our girl power known. Too all of her loved ones she loved you all. We didn't always make the popular decision but we tried to show you love and patience.*

*Ena, we did some crazy stuff together I really enjoyed every minute. We could fuzz and cry and makeup and laugh at how stupid it was, butt we knew deep in our hearts we were always there for each other. You always said you would probably die in a car accident, if you only knew how true that was.*

*Ena, I will love you until I see you again. Our health made it hard for us to do our weekly trips but I will have those memories to fall back on when I get too missing you too much. I really doubt I get to come to the service, I have too put my health first.*

*Love you the most.*
