“ In high school, Frank was on extremely hard worker for 4 years of fundraising for our 1965 senior trip. My mother was amazed by the dive-in-and-get-it-done levels of 2 boys in our senior class: Frank Bollinger & Mike Seabaugh. Frank was also entertaining with his unusual wit and caused us to laugh at the darneddest times. Rest in peace. ” Jackie (Heitman) Varner

“ Far to many to go into. All the things we did in High School. The trouble we could have gotten into for a lot of them. The chickens we dressed over at Ben and Dorothy’s. The church bell we rung and Carolyn freaked out and sat down in the road when the old man came down throwing a fit. The dead possum we drug back to Sedgewickville school that day and put in your car. Will always remember and love you.
