“ *To the extended Kubik family...My heartfelt condolences to you during this time of sorrow. "Kubes" was a great friend for over 50 years, from time in high school, college and years later. You could not find a better friend and person. We had so many great times and laughs the memories will last forever. I hope that all the great moments that you were able to have with him before he passed away brings you comfort. I still can hear his laugh as he was ready for a fun time. The number of fun times we had in college are too many to remember all of them! Anytime anyone needed help, Kubes was one of the first to be there to help. You will be missed my good friend and Sigma Pi Brother!!*

You are in my prayers!!
