“ *To the family of Ida....my sincere condolences go out to you. I was so sad to hear she had passed away. Ida was a good friend when we worked at the hat factory at the same time years ago. She was one of the sweetest, kindest people I've known. Sadly, we didn't keep in contact over these past years but I'll never forget her and what a pretty woman she was and how I loved being around her. God bless your family at this time of your great sorrow.
