“ I was a co-worker with Jackie at Sam's Club in Cape. She touched so many lives with her smile and Godly heart! I know she's in Heaven right now, but we'll never forget her on Earth, which keeps her alive in our dreams and heart. May Jesus give you the strength to get through your very different lives now.

Jackie and I grew up together, just 5 houses apart. She was one of my first friends. We spent many afternoons playing Barbies or house in my basement. We have kept in touch the last few years via Facebook, and loved sharing stories about our families. She sure was proud of all of you. I pray your memories will comfort you in the days ahead.

Jackie and I went to school together always a smile on her face. We used to tease each other who was the shortest. Stayed in touch on Facebook and ordered lots of pampered chef from her. She loved her family. She will be missed by many. Praying for her family.
