“ On to the next journey David!! You were a wealth of information about St, Louis in the 60's thru the 90's, a wonderful co-pilot on long drives in the country, a great companion when looking for, or "just shopping" for a new/used car-preferably a Ford pickup with "tuned pipes!" One of the all time great story tellers-he could keep you entertained for hours with stories about growing up in the "family house", interactions with neighbors, and trips his father made to the local family tavern to get a "bucket" of beer!

He was one of a kind-loved and lived life, a best friend, adored his wife, loved his kids....and always a good and helpful friend,

The journey starts anew David!!
