

## Jana Dumey

February 20, 1956 - April 23, 2025

Jana K. Dumey, 69 of Patton, MO passed peacefully on April 23, 2025 at her home surrounded by family and friends. Jana left this world with loud music and happy conversations surrounding her. Everyone that knows Miss Jana would know that she wouldn't have it any other way, except maybe to have all her fur babies that she loved most in bed with her.

She was preceded from this life by her father and mother, Ray and Gloria Evans Dumey. She is impatiently waiting for her family left behind to join her which includes her husband, John Preston, stepdaughter, Sarah Preston, her brother David Dumey, her always faithful and loving cousins to include, Steve Castleman and Penny Kurre (just to name two), and her many honorary adopted family which includes the Vuichard family. To include everyone that Jana left behind, like her many grandkids, nieces, and nephews, and her Lions family, would take more than five pages at least. She impacted a vast quantity of people throughout her well-lived life with her vivacious and brutally honest wit. She taught many of us how to move through life more ferociously and confidently. She also taught us forgiveness and unconditional love. Jan never stood on stuffy formality or social norms, so wherever you stood with her in her final days wouldn't matter to her if you want to celebrate your love of her and she would tell you to come on over.

We will be celebrating Jan first at the Ford and Liley Funeral Home in Patton

on Saturday, May 3rd from 9 am - 12 pm and after you will find everyone that loved her at the Patton Saddle Club loudly talking over one another and eating feel good food, two of her favorite things, We are celebrating all things Jan so please come casually dressed and no black, she would want everyone dressed for a fun party. Three of her top favorite things (besides her fur babies) were the St. Louis Blues, St. Louis Cardinals, and Bud Light, all the best things that came from St. Louis. We would like to ask that anyone that wishes to honor her memory to not do it with flowers, but with a donation to the Patton Lions Club or a cancer society of your choice.

On a personal note, we know that there are many, many more people that helped Jan in her final days and influenced her during all her days. There are too many names to add, but I want each and everyone of you to know that we appreciate everything and Jan loved the H\*\*\* out of every single one of you. Thank you.

Arrangements are being handled by Ford and Liley Funeral Home in Marble Hill.

“ *Jan&John took me in during a very hard time and treated me like family. I'll forever be grateful for her kindness, she could be gentle and strong at the same time and her love was truly unconditional. I feel so lucky to have met her and spend a little time with her. I wish I could come and celebrate her life with John and the rest of the people that loved her.* ”
