“ Dear Sheila and Todd: Our deepest sympathy on the passing of your Dad. He was a very friendly and helpful person with a quick wit who dearly loved to fish and I know he will be missed. We always joked about he, Jim and I being the same age. Your Mother and Dad had a special bond and love for each other and the expression, “They were joined at the hip,” certainly applied to them. Of course, Jerry was always willing to answer my tax questions and he gave me advice when needed to get me through the very busy tax season. I am very sorry I will not be able to attend his funeral service but I want you to know that he and your Mother will certainly be remembered in my prayers. May God give you and your family comfort during this sad time.
