Just read of Jessie's passing. She will always be a permanent part of my childhood memories in Spearman. My dad (Willie) and mom (Virginia) counted her and Dan dear trusted friends and I spent many evenings listening to them play a board game called Wahoo. Jessie always hugged and loved on me and my sister like we were hers. She had a God-given gift of making people feel right at home with her and Dan. I know she is having a hallelujah reunion with my mom and dad!!! May God bring comfort during this time of loss...Our loss -

heaven's gain. Blessings - Patty Sue
