

John Pfefferkorn

May 3, 2021

John Pfefferkorn, age 70, died peacefully in his sleep, in his favorite recliner, surrounded by his family on May 3rd, 2021. He and his wife Brenda recently celebrated their 50th wedding anniversary. Together, they had three children, Johnny, Jamie, and Josh. Those children provided them with 7 beautiful grandchildren - Peyton, Jacob, Andrew, Ava, Alise, Levi, and Lola. He was preceded in death by his parents, Ralph and Lucille and his sister, Sherri.

John served in the United States Navy aboard the ammunition carrier, The USS Kilaue, from April, 1971 thru April, 1973. Upon returning to the States, he began his 20 year career with the Burlington Northern Railroad. In 1990, John and his wife, Brenda, opened Tendercare Playhouse Preschool Center. For the next 23 years he was known as "Mr. John" to children and parents alike.

He and his wife retired in May, 2013. They spent the next years traveling and enjoying life to the fullest. National Parks out West and the white sand beaches of Destin, Florida were among his favorite destinations. His hobbies included working in his beautiful yard and garden, doing projects in his workshop, and riding his Harley cross country.

Hospice of Southeast Health stepped in for the last several months of John's life. A special thank you goes out to Vicki Schnurbush, Vicki Hyslop, and his favorite nurse, "Johnny Hospice Super Hero." They provided round-the-clock

support, knowledge, truthfulness, compassion, and the tools to continue living his best life instead of waiting to die.

Per John's request, he will be cremated and a private family service will be held at a later date.

Arrangements were under the care of Liley Cremation Services in Cape Girardeau.

“ Mr. John...

I will forever remember your big heart, your endless amount of patience, and your selflessness. I always thought of you as a "bonus" grandparent. You took me under your wing and treated me as one of your own. I think so highly of you and will forever respect you. I have many memories with you from Tendercare and I wish that you could've met my two little rascals and help mold them into amazing human beings like you did me and many other kids. It is because of Tendercare that I knew I wanted to have a career working with kids. You have impacted my life tremendously and for that I am forever grateful! Instead of a goodbye, I'll simply say see you later â ¤ Rest easy Mr. John

“ So many memories come to mind when I think of John. He was more of a father than father-in-law. Weâ€™ve spent many afternoons doing small projects around his house together. From cutting trees down and making a bonfire to riding around the neighborhood on the golf cart. The Smile he would have while on the balcony in Destin or the excitement he expressed while seeing a pod of dolphins on the sea blaster created happiness for everyone around him. Iâ€™ve mourned his loss but have to be grateful Iâ€™ve been blessed with such an amazing person to be in my life. He was my best friend and I will always carry his memories with me.

“ I love my Papaw. He would always take me for rides in his red Jeep to Buchheits to get bags of candy. We watched movies together and snuggled in his favorite recliner. He tied the best tight knots in the tire swing so I could climb and swing so high. We would have a coffee together in the morning on the bird patio after sleep overs. We ate lots of popsicles together on the Beach Club patio while we watched sunsets. He always told me I love you and I know he meant it because he would always kiss me and give me the biggest hugs. He gave me a lot of money for Christmas and I used it to buy my horse’s saddle. He was so happy I got a horse because he said he always dreamed of getting a horse when he was a little boy and never did. He said I was a very lucky girl. His funny voice always made me laugh. I wish he was still here with me right now because I will miss him so much but I know he is in heaven with Jesus taking good care of our dog, Jack. I can’t wait to see him again in heaven. Love, Alise

“ I will miss the the fun family times we had. I always felt like John and I shared a certain outlaw kinship. We both appreciated the closeness the brothers and sisters shared, and could enjoy watching the crazy fun as well as participating. His dry sense of humor was the best. Please know Brenda, you and your family are in my thoughts and prayers. Love you. Rest In Peace John’s

“ I will always remember the time we spent in Jackson, some of my happiest childhood memories. I especially loved spending the night in the treehouse Uncle John built. He was always so kind to me, always had a smile and something nice to say. I loved his love of gardening and keeping everything in perfect order. He taught my dad a lot about growing the most delicious tomatoes. 50 years of marriage! What a beautiful example of love and devotion! Johnny, Josh and Jamie, you and Aunt Brenda are in my prayers. Iâ€™m glad Uncle John got to travel and spend time with his grandkids. Iâ€™m sorry for your loss and pray for your peace and comfort during this difficult time.

“ Aunt Brenda, ,
I am so sorry for your (our) loss. We love you so much and are praying for you during this time. Uncle John was such a joyful person and I never doubted his love for you. I know heâ€™s in heaven looking at nature so much more beautiful than we have ever seen here on earth. Praying for you and Johnny, Josh, and Jamie. We love you all so much.

“ *My Dad, my Rock... the strongest, smartest, most hilarious... big hearted man. Always fair. Always thoughtful. You made my childhood the best. You worked so hard to make every dream I had come true. When I was little I told everyone I would marry you. As a woman, I searched for a man just like you. I will always remember you as the man who could fix everything. When things did not go as planned you were always able to help me find the bright side and push me to work for a solution. You were devoted to my mother, my brothers and I, and your grandchildren. You treated everyone with the respect they deserved and you were a man of dignity. Your word was truth 100%. You always showed up. You loved so hard. You took care of your own up until the very end. Daddy, I saw you- thank you for your unconditional love, support, and guidance throughout my life. I am so thankful for our time together- you taught me so much. I will always cherish your smile, your laugh, your bear hugs, your humor, and our talks. I love you, Daddy. See you on the other side.*
