“ I'm so sorry Aunt Nita is gone. She was a beautiful person, inside and outside, and loved people. The last time I saw her, she was in her late 80s and was still helping out at the old folks home most days. But that's how she lived her life, helping others. I think few of us have the privilege of knowing someone like Nita Parsons, and I'm so grateful to God for her love while growing up and the few times we saw each other after that. She was such a blessing, and I'm grateful to have had her in my life.
