GH

“ I recall from an early age how beautiful and happy Nita was - her love was infectious and she seemed to be a "link" between all the family. She is embedded in my heart as one of my favorite people in my life. My thoughts and prayers are for Nita and Nancy as she adjusts now to life without Nita being just around the corner. She loved and was loved and was a Blessing to everyone who knew her. God love her and Bless her !!!!!
