“ Dear Family of Lenny,
I am so sorry to hear of the passing of Lenny. I was in her class from 2nd grade through high school and being from a small community we all knew each other well. I recall she loved to ride horses She lived being outdoors . She sent a letter to be read at her 50 th class reunion and we were all astounded as to what she had been through And because of her my husband and I now have the medic insurance she suggested I was shocked to hear of her passing our thoughts are with you at this time
