“ My heartfelt condolences to the family. I am so sorry for your loss. May you find comfort through the loving and happy memories of your dear loved one, Lillie. May you also look to our loving Heavenly Father, the God of all comfort, to provide what you need at this very sad time. (2 Corinthians 1:3,4, Psalms 83:18). He promises us that very soon, "He will wipe every tear from our eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Revelation 21:3,4, Isaiah 33:24. He also promises us that there will be a resurrection of the righteous ones so they will have the opportunity to live forever in perfect health in Paradise right here on earth. (John 5:28,29, Psalms 37:10,11). What wonderful promises! Can you imagine a time on earth when there will be no more sickness, pain or death? May all of God's promises give you a measure of comfort, peace, hope and strength. I have personally found very comforting thoughts on jw.org.

“ My sincere condolences on the loss of your loved one. I always enjoyed “Sally” as we called Lillie when I was growing up. We had many great times working together at the Hat Factory. She was a dear friend to my Grandmother many years ago. May God be with you during this most difficult time.
