“Lois was so kind to me when Steve & I moved out to Bollinger County and were her “just down the road next-door neighbors”. I enjoyed visiting with her and wish we could have had many more of those times chatting and enjoying each other’s company. My condolences to her sons, daughters-in-law, grandchildren, and sisters; my prayer is that the many wonderful memories you no doubt have of Lois will bring you joy and peace even in the midst of the pain of your loss.
