“ Dear family. I am very sorry to have read of the recent death of your loved one, Lorene. Please accept my sincere condolences. I would like to share something that I have personally found to be very comforting. It is found in the Bible at John 5:28,29 and also Revelation 21:3-5. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones, as well as do away with all of the many causes we have for suffering, including sickness, pain & death. Knowing these truths have always comforted me and it is my hope that these thoughts from the Bible will likewise comfort your family and will also ease some of your pain during this most difficult time in your lives. I have also found very comforting information about what hope there is for our deceased loved ones on jw.org.
