Marie will be greatly missed. Being my mother's oldest and closest friend(Susie Butler Wagner), she was always with mom,side by side,at our reunions. She and Mom had themselves a time remembering the old days and catching up every year. I believe that they are together forever ,best friends,to part no more. What a happy time they must be having with the Lord, Aunt Beulah,and Ruby.

Here christmas has come and gone and now the new year is approaching, she is missed so much by me and my family. Every christmas we went caroling to her house and she even came with us to the cabin. She will always be missed. Love you guys
