Barbara and Shella, I'm so very sorry to learn of the loss of your sweet Mother. She was such a sweet Lady in the truest sense, loved by all of us here at First Baptist Church who knew her thru the years.

Sheila and Family, I wish I could have been there for you all. Please know that my heart and prayers are with you.

We wish we could attend the funeral but find it impossible to do so. We will certainly be there in spirit and will continue to remember you in our prayers. May you feel God's calming presence during this difficult time. Love, Stan
