As an only kid, Mary Lou and the rest of my cousins were like my sisters to me. Even when I was a brat, Mary Lou treated me in the most kindest loving ways that have influenced me throughout my life. In many ways, to me she was the best of all of us and it is surely a huge part of our family that has departed. With love from Montana. John Bill and family.

My heart is heavy with the news of Mary Lou's passing. Mary Lou always had a special place in my heart....I dont know if she ever knew what an impact she made on my life and I wish that I would have told her. I am so grateful that I will get the opportunity to see her again and speak to her face to face. I never knew this woman that she didnt have a smile to share. She taught me so much by being such a wonderful role model. I will never forget you, sweet lady. Linda Ford

To the Conrad Family, we would like to offer our sincerest condolences. In

the short time that we have known Mary Lou, it was quite apparent that she had a joy and love for life and her family. She was truly an extraordinary woman, who touched the lives of many. And, we are honored to have had the opportunity to meet her and call her a friend. May God Bless each and every one of you, and grant you peace and comfort in these difficult days. Tommy, Amy, Thomas and Gracelynn Stidham

My thoughts and prayers go out to the family! Mary Lou was a remarkable lady!! Heaven gained another Angel!! God bless you!!

Terry, I am writing this because there won't be time to talk to you tomorrow, I am sure. I cannot imagine how sad you and the boys must be. Growing up Mary Lou was nothing but fun to me. We knew every square inch of the old store. It broke my heart when it burned. Even in high school when 3 years is a large difference in age, Mary Lou always had time for me. Later on when I went to a MH ballgame I hoped she would be there to talk to. She will be truly missed. Debbie
