“ I just heard today that Mary Jane passed away. I am sorry for your loss. I really enjoyed working with her. She taught me a lot. Take comfort in knowing she is a better place.

“ Mary Jane and I shared birthdays. Every year at the Harvest Festival, she would remind me we had a birthday coming up, & we would laugh together. Mary Jane was a sweet, tradition-loving, Christian woman. She was always genuinely glad to see old friends & always welcomed new people into the church at Reagan’s Chapel UMC. Her absence at Reagan’s Chapel will be deeply felt! Love you, Mary Jane, and will see you again in heaven!

“ My family (Harry Mungle's bunch) bought Three gallons of cow's milk from Jim and Mary Jane every week. This was a high light of our week growing up. It would be considered an once in a time educational feild trip event for children these days. This is a memory I have passed on to my family of my childhood. You all take care .
