“ Melvina and I attended Woodland with graduating in 1981. She will always be remembered by her beautiful smile. We had chicken pox's twice and was at Doc Englehart's office at same time. We both laughed then and laughed each time growing up. She always had a great sense humour.
My thoughts and prayers for her family, friends and grandchildren.
We will be all together in heaven someday soon.

“ *Melvina and I lived 3 blocks from one another and we rode bicycles quite often together. I wasn't supposed to go anywhere after school on this particular day bit melvina and I met up on our bikes anyway...we had a crash on the payment and we left the scene without our bikes and me limping and she holding her head crying...she went to her home and I went to mine! Needless to say we were caught and told on by neighbors and bikes brought back to our homes for us!! We laughed about that only 2 years ago together!! I love you melvina and I'll remember you as I I ng as I'm able too!! See you again one day in Heaven my friend*
