I have such wonderful memories of Marie and you. From the first memory I have of you all at your place near us on Hwy 51 South when I was about 11-12 years old, and we lived near Possum Creek. So many times Daddy and Mom would mention the young couple up the road and then later got to know you and be in church with you all. I have always admired you both so much for the lives you have lived and the examples you have been to others. You see, everyday of our lives we are being examples of one kind or another to someone and it is good to look back and see the GOOD she did, and the good you are still doing.

I pray that God will give you strength, Bro. Clinton, and that your children will realize what a legacy, in living for the Lord, that Marie has left behind. In all the years I have known you both, the love of God has always shone forth and we knew where you and Marie stood without a doubt. "ON THE SOLID ROCK".

I know she is rejoicing and waiting for the rest to join her someday.

Love and prayers, Bernia

Uncle Clinton and Family,

I don't know how to give my condolences when I am hurting so bad for her too. She was a second mother to me. I know she love me and I hope she knew how much I loved her. She was what every Christian woman should strive to be like. Yes, she has left behind a Great legacy to her children and grandchildren. She lived her life like the song she sung , "One day at a Time". I can still hear her, raring back singing it. Uncle Clinton i love you dearly also and the children are like my own brothers and sisters. I love you all so much and I want to be there so bad... I'm trying to make arrangements but I have Ben to think about also. You know my circumstances. If I don't see you tomorrow please know I am there with you in spirit. And this is one Homecoming I would love to be at!! Love to all, pamela jean
