“ *My mom was the best mom. I just wish she could have stayed a bit longer. Its's been 11 years this month. I miss you so much mom. The time I got to spend with you was the best even tho sometimes it was hard. You always made our time better. I hate that you got taken from me,my sisters and brothers. Even though its been 11 years it feels like it happen yesterday. It still hurts. I would give anything just to see and talk to you again. I wish I had videos of you talking. I hate forgetting your voice. I miss everything,but I know you are always with me. I love you forever and ever. -Sunshine*
