“ We just learned of Noah's home-going. So sad for the family! We have known the Mills for many years, and when they were camping at Clearwater they always visited our church here in Piedmont. Noah has always been a very pleasant man to be around and has always had a good testimony for the Lord. I can't imagine how much you are going to miss him! Our prayers are especially for Bonnie now and all the family.

“ Truly a SAINT of a man. Noah is unforgettable. One of the best men I have ever had the pleasure of knowing.
Anyone who knew Noah knows it was impossible for him to say no,...
He was ALWAYS there to help anyone he ever met.
Truly a blessed man and friend to all.
