Teresa, Little Teresa, and Wendel, God Bless you all, and we know he will, hopefully soon. Teresa, you know he is breathing with ease now, and smiling down on all of you, wishing you could know the peace and happiness he does now. And you will see him again, but not to soon, I am selfish, I like having you around. As I always tell you, if there is something I can do for you that I have not already said or done PLEASE help me be your best friend and tell me, I have never had a best friend like you, sooooo willing to do what ever you ask or need done, it just seems to come natural to you knowing what to say or do I want to be more like you but I need yours and Gods help. I know God will help you and your family threw this time, but friends and neighbors, will most neighbors, will be there for you also, and God will help those that try and kick you when you are down so you don't need to worry about them. Love ya all. Vickie

Doris and Family, sorry for your loss and God Be with you and you are in our prayers. Just lean our or Lord for strength and He will get you through your time of sorrow. We thought so much of you and Norman.
