“ We are sad to learn of the passing of Pastor Moore. He stood solidly with us during times of personal loss and trials. He was a friend to us and meant so much to our family especially Jeanette's parents, HS and Lucille Brown. Prayers for the Moore family, may GOD be with you all, with Love and thankfulness to have been blessed by knowing Pastor Jim; Randy and Jeanette Hansel.

*To the family:
I worked with Pastor Jim for almost 7 years at Trinity. He was a great friend and co worker. We were able to share several conversations by text in January and February. It was great to catch up with him. He will be missed. I have so many great memories of him. I will never forget him and all the great times we shared together.*

“ I enjoyed knowing Pastor Jim during his time at Trinity Assembly. He was always ready with a smile and maybe a touch of sarcastic humor. He was a great blessing and friend to my mother-in-law Joann Coleman until her death. God's Peace on all his Family.

“ To the family. I share in your grief and send up my prayers of comfort for you during this time and in the days to come. I worked with Pastor Jim at Trinity for 12 years, I was his assistant for a couple of those years, and we became great friends. The memories we shared will always be priceless to me. I am so thankful that we were able to talk a couple of weeks ago. He was a great friend who became family, like a father. I learned a lot from our conversations about life, being a Christian and being in the ministry. I loved him dearly. He was always there whenever someone needed him, no matter the time of day or night. He will be missed but we have this HOPE that we will see him again one day since he is now in the presence of Jesus. Oh what a day that will be!
A funny story to tell, I remember always getting onto him about needing to keep a neat and tidy office. So one day, myself and a co-worker went in and cleaned and reorganized his WHOLE office. He was beside himself when he walked in and his desk was spotless and couldn't find anything. We joked about that for years. He will be greatly missed and always remembered.
