“ Quentin was such an amazing young man, and I was so blessed to have known him. I remember multiple times, he would be sitting outside his Mom's classroom in the same hallway as my classroom as a kid, playing video games with his two best friends, Daniel and Landon. Quinten always said Hello, Good Moring, Have a Great day, every time I passed him. He always had a smile on his face even on days I knew he could barely get one foot in front of another. He was such a ray of sunshine, light, and joy to be around. You will be greatly missed, Quentin. Kathy and Family, you all are in my constant prayers, thoughts, and heart. Love You and Praying for you all for healing, strength, comfort, and peace.
