“ Bless my nephew Diron and his loving brother Elijah and sister Brooklyn. You all are not alone. Your mom loved you and will always be with you. My heart aches for each of you for so many reasons, but your mom’s passing makes that ache so much stronger. I sincerely hope each of you will find comfort and peace, in spite of this devastating loss.

Love,
Aunt Lisa

“ *My heart goes out to you all in your time of sorrow. I grew up with Rachel on the softball fields. We were always on the same team and we became really good friends. She was just a joy to know. You all will be in my prayers.*

“ I wish there were words that could help lessen the grief you are feeling. Just know that you are loved and being prayed for especially during this time.

Madie and I were in Goodwill while Rachel worked there and she remembered seeing me in the office with you. She was so funny and kind with us. We had a really good conversation and I will always remember what a pleasure it was to see her smiling face and to talk with her that day. Thankful for memories.....may they help to sustain you now and always.
