“ I remember seeing Richard many times fishing over at Duck Creek when I was growing up when I fished there with my dad (Ted Seiler).

There is nothing like watching a sunrise over Duck Creek and I know that Richard spent many a day and night chasing bass over there.

My condolences to the family that he leaves behind.

“ I will miss you, uncle Richard. I will never forget those Army stories you told me about the mean drill sergeant. If he's up there, I certainly hope his temperament has changed. Regardless, the hunting has got to be much better! Anita, Tammy, Dwayne, and Brian-- We are deeply sorry for the loss of your dear husband and father. Although you will miss him, please know that his memory will live on in the hearts of those who knew and loved him. God bless you.
