“ Good Ole Robbie. I feel like I have known you forever. You were always up for a good pick on me every time I would come visit Plaza Tire. Most the time just to see my brother but we always got a chance to say hi and kick it a few. When you left plaza at least I got to still run into you at the Junction and sometimes school so we could still catch up and see what was new in our lives. Then Dave told me he was gonna get you back as a mechanic and boom there you were again. Got to talk to you out in the shop and you were happy to be back and plaza was happy to have you. Then I ran into you Saturday at Save a lot. We had a good catch up as you were on a mission for pizza. I was shocked when my daughter messaged me saying you had passed away and I told her no we just talked Saturday and I seen you Monday too. She said no he passed last night in an accident. I called Dave to confirm and I was shocked. You were a good guy, a good friend and a great mechanic and not only will I miss you and our conversations, I know my brother will miss you as a friend and mechanic. Rest easy buddy !!!!
