

Rosemary Mae Reinkemeyer

May 6, 1947 - December 2, 2025

Rosemary Mae (Angle) Reinkemeyer, of Sedgewickville, passed away peacefully on December 2, surrounded by loved ones. Born to Claude and Cleo Angle, she carried their spirit of grit and generosity into every corner of her life.

She is preceded in death by her parents and survived by her husband of 20 years, David Reinkemeyer; her brothers, Bob and Richard Angle; and her three children, Aaron, AJ, and April, along with two grandchildren, Wyatt and Cameron.

Rosemary had a heart big enough to hold every creature on God's green earth. Her love of animals was legendary - especially the revolving cast of farm cats who wandered into her life and promptly stayed forever. She believed deeply in doing her part to control the pet population, and she took great pride in making sure as many farm cats were spayed or neutered...eventually.

Despite her best intentions, she had an uncanny ability to name her cats the wrong gender. More than one "Henry" became "Henrietta" overnight. Her animals didn't mind - they knew they were loved, no matter what their name tag said that week.

What defined her most was her compassion. She cared about people with the same tenderness she gave her animals. She carried others' pain, celebrated their joy, and was always sure to include those who didn't have family near.

Her legacy is love - imperfect, honest, and lasting. She leaves behind a family forever grateful of her humor, her stubbornness, her compassion, and the fierce way she loved.

A graveside service in honor of Rosemary's life will be held through Ford and Liley Funeral Home on Tuesday, December 9th, at 1:00 PM at the Bollinger County Memorial Park Cemetery, where her family will gather to remember her. A celebration of life will be held in the spring with a date to be determined.

“ When Wyatt was a wee little one I would babysit and Rose would come by my house to pick Wyatt up. Rose and I met just a handful of times, but she always treated me like a good friend. I believe she approved of me watching her precious grandson. We all love Wyatt, but Rose had that next level Grandma love for Wyatt, so very special. Deepest sympathy to AJ, Elizabeth, Wyatt and family.

“ Rosemary was always a sweetheart. She and I not only rode the bus, but were cheerleaders together. Traveling one summer to "Ole Miss" University cheerleader camp, with rest of the cheerleaders and placed 4th in nationals. We thought that was great, coming from the small town of Lutesville/Marble Hill. Rest in peace Rosie. Shirley Woodfin Deck

“ Rosie and I were college "room-mates", living together at the home of Hester Stout in Flat River while we were students at Mineral Area Community College. She was so very pretty with long blond hair and so much fun!!! Sensitive, caring, kind, compassionate and so very much fun! She had enjoyed her highschool years at Lutesville-Marble Hill and we were both just moving on into the adult world as College students. She certainly loved her big brothers and her parents. Condolences to all her family...Andy McCreery Jackson---La Plata, MO(originally from Fredericktown, MO)
