Dear Donna, To the dearest friend I ever had, I am so sorry for the loss of your mother. All the years we have gone to church and served and worshipped God just doesn't prepare us to lose our mother. I had a lot of good times with you and your mom. She was a very sweet person. The memories will be precious from now on and God will sustain the soul and the heart with healing. I love you and I appreciate the friend you have been and will always be. Love, Kathy
