“ Steve will be missed by many. One of my favorite memories of Steve occurred in about 2008. He was living in East Cape. The river was flooded. He would meet me at Hwy 146, after riding his bicycle through flood water. He wanted to go to a meeting!!! One heck of a guy. I will also miss seeing him smiling and walking into our Fellowship Hall. He would light up the room. GOD Bless you, my friend.
