“*Please allow me to express my deepest condolences for your family's loss. I hope that you will find comfort in the real hope that the Bible gives of being reunited with your loved one again. In the Bible at John 5:28, 29 it reads, "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out.". The Bible there promises that your loved one will come back to life again in the resurrection. (Acts 24:15) The Bible also promises that soon death will be no more. (Revelation 21:3, 4) I encourage you to visit JW.org for more information about this wonderful hope.*

“ Dear Parsons Family,

*Steve and I shared many happy times as classmates at Woodland High School, 1967. we had a good time doing school plays and working selling magazines and taking our turn at the senior stand. I will be in Nashville, TN, this weekend attending a community retreat so I will miss visiting with you at the services. Please know you are all in my thoughts and prayers. May your memories sustain you in days to come.*
