“ I have a lot of childhood memories with Reddog. As annoying as we must have been to him he always took everything with a smile on his face. I will certainly miss seeing him around.

“ Thank you for stepping up and being our dad and a Papa to our children. Things weren't always easy but we love you no matter what. You will be deeply missed by us kids and grandkids. Just watch over "babe" and the grandkids. We will do our best here to keep them safe as well.
