Tribute Wall

GS

“ *My favorite Aunt. She and Paul did things with me growing up. Their home in Cornwall a refuge from my turbulent home. Always looked forward to doing things with them - fishing trips, good food, games, conversation, talking baseball with Paul, listening to Cardinal games, hunting bee honey trees, and just walking through the woods. They planted those seeds of enjoying the outdoors. My life's passion and employment. My best memories of growing up.*
