Adell was my Great Aunt. I'm the daughter of Vern & Loraine Garland. I have some fond memories as kids visiting you all. To all the family our prayers & thoughts are with you. May the Lord comfort you in the shadow of His wing! ~ Sandy Garland Blaser

Dear family, So sorry for the loss of your mother. She was a good person and a great neighbor. She was always cooking or sewing and always invited me over when I lived across the street from her. It didn't have to thunder twice and she would call and say you had better get over here its gonna storm, we had a lot of good talks during those storms. She was unique in her own way. She loved her dolls and more than that no doll ever went without clothes at her home. She cherished those dolls and it gives me great joy to know that those

same dolls gave her comfort in the end days of her life. Grandkids, store up all the memories that you can because some of you now find yourself in the same positions of us, you no longer have any grandparents left in this world, some days that is the most lonely feeling you will ever have. The greatest comfort of all is that now she can rest with Jay. She has grieved all the days since he has been gone. God Bless all of you and Kathy you know we love you so much. Kathy Fulbright

Kathy Cook and the Garland family, I was sorry to hear about your mom. God bless you all. Your mom sounds like my mom. She just needed to be with your dad. Sometimes they just don't know how to go on without them. They will always live on in your hearts, but it's hard to say goodbye to them. Kathy, we love you dearly, and we are here if you need us. love, Debbie k
