Dear Family, Verla was such a special person, she was a kind, loving, person with a heart bigger than any I have ever seen. So glad I got to spend some time with her this spring and summer. We laughed and laughed while sitting outside in the sun and beautiful weather. Heaven is gaining an angel.

Precious memories.

To Verla's family, especially Mabel and Clarence, who may be the only ones to remember me. I would love to be with you for some of this time. Verla and I were very close in age (4 days difference, I believe,) and we played together when my family lived on Hurricane. We have stayed in touch all these years, both in correspondence and visiting at occasions when we could. She always contacted me when someone in the family died, and I was totally shocked when I saw on the Liley web page that she had died. She was a very special person. I will miss her... as I know you all will. Jackie
