“ When Teddy and I were in high school, we loved to spend the night with each other. For me, it was one of my favorite things to do. When we would get to her house after school, Viola was always busy making us something delicious for dinner, but she always took a minute to say hello and hear whatever we had to tell her about our day. But the thing I will always remember about her is her beautiful, sweet smile which always graced her face. When I think of her I always see her smile. My sympathies go out to her dear family and friends.
